The Cognac – Exclusive Blend by Drouet et Fils SINGLE ESTATE – SMALL BATCH COGNAC – GRANDE CHAMPAGNE 1ER CRU

This 4th generation artisan Cognac distillery is nestled in the small village of Salles d'Angles, only a few miles from the town of Cognac. Accomplished master distiller, Patrick Drouet, is a true "modern style old schooler" whose approach blends the best of traditional methods and new thinking. Between tending the vines, harvesting, vinification, distilling, aging, and bottling, taking place on the estate, Drouet is the essence of a SINGLE ESTATE Cognac. Produced in very small quantities and distilled with great precision and passion, Drouet Cognacs are pure, yet suave, and are benchmark examples of how stunning this spirit can be. Drouet is quickly establishing itself as one of Cognac's top family owned estates, attested by its impressive accolades in recent years.
